Visit the Miracle Staircase at the Chapel at the Loretta. Take a hike up into the pueblos where Native Americans once lived. Enjoy a Native American feast or take a ghost walk through the Plaza. Arrange for an art class with a Native American artist. Santa Fe has over 250 art galleries to see some of the greatest art in America. Information: **NO PERSONAL CAMERA TRIPODS ALLOWED.** A current schedule of the contest will be posted the Tuesday prior to the event and be linked to the Contest Page or our web site. All props, staging and backdrops must be able to pass easily through a regular 7 ft double door with the center bar removed. All props and backdrops must be padded properly before moving on the floor. Teams not accustomed to performing in a high altitude need to be prepared for the thin air. It is easy to get winded during a vigorous performance. This is one of the favorite *destination contests* offered by American Dance/Drill Team®.

When using any driving directions or map, it's a good idea to do a reality check and make sure the road still exists, watch out for construction, and follow all traffic safety precautions. This is only to be used as an aid in planning.
