

Salado Christmas Parade

Central Texas Honor Dance Team

All of the dance teams in Central Texas have the opportunity to be represented. You can send your officers, social officers, seniors, top performers, or your entire team to dance in this **special performance on Thursday, December 5th at 6:00pm****.

Cost is \$30 per performer. This includes the parade routine, rehearsal, refreshments, a Central Texas Honor Dance Team patch, and a long-sleeved performance top that they will wear in the parade and get to keep. The students may wear a sequin Santa hat and glow-in-the-dark props to use for their performance.

Deadline for registration is Monday, November 4, 2024. By that time, we will need the names and shirt sizes so that shirt orders can be placed and received in time for the parade. Your school can be invoiced for their fees or they can pay individually.

The parade routine will be accessed on our web site for learning and practice purposes (<https://danceadts.com/saladoparade/>). The music of a Christmas theme will be provided with your notes and parade routine. Please make sure that all of your participating team members learn and practice the parade routine before the parade. We will only have the time to review and briefly polish before the parade begins. Each team will be asked to wear their black jazz pants or leggings, white field boots, black leotard and possibly a white turtleneck and gloves if it is cold.

Meeting time will be at 4:30pm** on December 5th, on Center Circle off of Royal Street, so that everyone can be placed in ranks and files and rehearse the parade routine. Parade time will be at 6:00pm** on Main Street in Salado.

Refreshments will be served to participants following the parade in the Salado Civic Center parking lot. There will not be any other rehearsals for the parade other than that day. Please make sure that you know the routine before arriving. It will not be re-taught in Salado.

For more information about the parade and performance, please contact Brittany in the American office by email at BrittanyADTS@gmail.com or 254/947-0613.
