Type of Routine: _____

Music Title: _____

Choreograph for (circle one):

- _____ Football (*Requirements: band music, 1:30-2:15 minutes long*)
- _____ Pep Rally/Basketball (*Requirements: pop music, 1:30-2:15 minutes long*)
- _____ Contest (*Requirements: pop music, 2:16-3:00 minutes long*)

Other Notes: _____

Please Note: Any music that exceeds 3 minutes will have to be edited to fall under the 3 minute time limit for any National Council of Drill Team Camps contest guidelines. Please remember that those routines need to be taught in 2-2 ½ hours.

Please feel free to include additional information in your email to elaborate on your routine ideas. If there are any movements or formations you do not want in your routines, please indicate. This will eliminate the possibility of duplications within the routines taught at camp. If there is additional information that you feel would benefit the instructor (weak points, strong points, etc.), please list this also. (ex. My team is an intermediate level team. Some girls can do grand jetés, axels and pirouettes, others can do variations of those steps. Make this routine very visual with lots of crowd appeal – our football audience is very hard to please. Minimal work on the ground (i.e. “z” sits, knee drops, etc.) we have a natural grass field that can get very muddy!! I have included a videotape of a football routine from last year to give you an idea of our style.)

- *Please include a copy of your music with this form.
- *Duplicate this form for any additional custom routines.

Please indicate formations you would like to use in this routine:
