Greetings Special Friends,
I hope you are getting ready for a great fall. I love seeing the pumpkin patches around and children posing with jack-o-lanterns. We just mailed The Line brochure to all of our clients and would be happy to send you this brochure by e-mail as well. Just reply to this e-mail and request **The Line**.

Here are some thoughts for the day:

.....
"Complacency is the enemy of progress." Dave Stutman
.....

"If you don't have time to do it right, when will you have time to do it over?" author unknown (however, my husband says this often)
.....

"The survival of the fittest is the ageless law of nature, but the fittest are rarely the strong. The fittest are those endowed with the qualifications for adaptation, the ability to accept the inevitable and conform to the unavoidable, to harmonize with existing or changing conditions." Dave E. Smalley
.....

"What you say tells others what you are." author unknown
.....

Many of you have seen some of the passages passed around the internet but the one below has to do with friendship as well as learning as a person. There are many good lines in this one so don't skip any.

Have a wonderful week, and, as always, please *keep in touch*.

Proud to be your Friend!

I've learned....That life is like a roll of toilet paper. The closer it gets to the end, the faster it goes.

I've learned....That we should be glad God doesn't give us everything we ask for.

I've learned....That money doesn't buy class.

I've learned....That it's those small daily happenings that make life so spectacular.

I've learned....That under everyone's hard shell is someone who wants to be appreciated and loved.

I've learned....That to ignore the facts does not change the facts.

I've learned....That when you plan to get even with someone, you are only letting that person continue to hurt you.

I've learned....That love, not time, heals all wounds.

I've learned....That the easiest way for me to grow as a person is to surround myself with people smarter than I am.

I've learned....That everyone you meet deserves to

be greeted with a smile.

I've learned....That no one is perfect until you fall in love with them.

I've learned....That life is tough, but I'm tougher.

I've learned....That opportunities are never lost; someone will take the ones you miss.

I've learned....That when you harbor bitterness, happiness will dock elsewhere.

I've learned....That I wish I could have told those I cared about that I love them one more time before they passed away.

I've learned....That one should keep his words both soft and tender, because tomorrow he may have to eat them.

I've learned....That a smile is an inexpensive way to improve your looks.

I've learned....That I can't choose how I feel, but I can choose what I do about it.

I've learned....That every one wants to live on top of the mountain, but all the happiness, and growth occurs while you're climbing it.

I've learned....That the less time I have to work, the more things I get done.
