Greetings,

I greet each of you with great sadness regarding our neighbors in Louisiana and Mississippi. We are somewhat in devastation over the footage we are witnessing on TV and the helpless feeling we all have in watching such a disaster unfold. Stories are pouring in of the despair that is overwhelming everyone there including many of our friends and staff. We are diligent in prayer for the millions of people that been affected by the devastation of Hurricane Katrina. To think of an entire city the size of New Orleans being gone for good is in-comprehensible. We ask that you mobilize your community to send help in the form of school supplies, clothing, baby items and more. Information can be found below.

Here are some thoughts for the day:

“Doing what’s right is not the problem. It’s knowing what’s right.”

“It isn’t where you came from; it’s where you’re going that counts.”

There is a page full of information on how each of us can help the victims of Hurricane Katrina. Make sure to visit http://www.networkforgood.org/topics/animal_envIRON/hurricanes/?source=AOL&cmpgn=NEWS&RTP=http://news.channel.aol.com for more information.

Also, we have just now heard from one of our contacts in Bossier City, Louisiana, and she has told us the coliseums and convention centers are full there of many people who have no job, home or school. Many will be starting their children to school in the Bossier Parish Schools since they have no place else to go. Here is that information:

For school-aged children in need of school supplies,
the contact person and address:

LOCAL DISASTER RELIEF DISTRIBUTION

ATTN: Barbara McQuiller
Bossier Parish School Board
Evaluation Center
2500 Viking Drive
Bossier City, LA 71111

For food items, clothing, and/or baby items, the contact person and
address:

LOCAL DISASTER RELIEF DISTRIBUTION

City of Bossier City
Parks and Recreation
ATTN: Joseph James

Keep in mind that this would be a great service project for your church, school
or team.

In closing, this disaster has made us all take a look at appreciating our family
and surroundings so much more. Below I have included a special passage on
family that is a valuable piece to share. I hope that you can share it with your
family this week. Please keep all of the people in Louisiana and Mississippi in
your thoughts and prayers. They are in desperate need right now for so many
things. May God bless them and please, keep in touch.
