Greetings everyone!

We are taking a few days off to visit sunny California and visit some of our special friends and staff that live on the West Coast. We will visit our friends with HappyFeetBoots.com, that sponsor our National Miss High Kick awards.

Here are some thoughts for today and every day:

~~~~~  
**“If I went back to college again, I’d concentrate on two areas: learning to write and to speak before an audience. Nothing in life is more important than the ability to communicate effectively.” Gerald R. Ford, U.S. President**  
~~~~~

~~~~~  
**“Art is the ability to tell the truth, especially about oneself.” Richard Pryor (1940-2005), comedian**  
~~~~~

~~~~~  
**“I have learned over the years that when one’s mind is made up, this diminishes fear; knowing what must be done does away with fear.” Rosa Parks (1913-2005), civil rights activists**  
~~~~~

~~~~~  
**“As one goes through life, one learns that if you don’t paddle your own canoe, you don’t move.” Katharine Hepburn (1907-2003), actor**  
~~~~~

Each day can sometimes be a great challenge or a great opportunity. It is up to each of us to decide how we ‘carpe diem’ or ‘seize the day.’ I have a special wish for you below that I hope will lift up your day. Have a fabulous week, and, as always, please keep in touch!

# This is my wish for you....

Confidence in your abilities  
To be alive in the glories of each day  
Times of peace  
Many things to smile about  
Ever lovelier pathways  
Time for small pleasures  
Many beautiful rising of the moon  
That you are surrounded with beauty  
Unlimited horizons  
That light and beauty surround you  
The luxury of shade of a summer day  
A peaceful time alone to think  
A sense of your true worth  
The confidence to fly  
A soaring spirit  
A perfect day!!!
