Here are some thoughts for the day:

“One nice thing about telling a clean joke is there’s a good chance that no one has heard it before.”

I came across a short passage about *The Seven Deadly Sins*. You can take some of the most common virtues and they can be turned into something negative by their mis-use. I hope that this short passage has an impact on you today as it did on me.

Have a wonderful week, and, as always, please *keep in touch*.
