

American Inspiration

Greetings to all of you,

We are blessed today with a small cool front that dropped the temps back into the upper 70's. It is a beautiful day to be outside! Hope it is pleasant where you are today.

Here are some thoughts for today and every day:

.....
"To be a complete person is to be a part of others, and share a part of them."
Elliott Richardson (1920-1999) Statesman and attorney

.....
"Loyalty cannot be blueprinted. It cannot be produced on an assembly line. In fact, it cannot be manufactured at all, for its origin is the human heart-the center of self-respect and human dignity. It is a force which leaps into being only when conditions are exactly right for it-and it is a force very sensitive to betrayal."
— Maurice R. Franks

.....
"Nothing is produced, no progress is made, by being against or criticizing something. Progress, including personal success, results from being for something and doing something about it."
Ben Miller, business executive

.....
"Lack of loyalty is one of the major causes of failure in every walk of life."

We are excited about our **2007 Summer Camp** routines. Our staff met in regional meetings this past weekend and we meet in Salado this coming weekend to tape all the routines for both team camps and officer camps. We have posted on our web site the **routines** that will be offered at our camps this summer. You can also request a bid for a private camp at your school, where we send our top instructors and you pre-select the routines from our **2007 Visual Notes DVD**. We have a great curriculum for **Social Officers** at two of our camps and also offer **private one days** with your socials. If you are interested in any of our summer camps, make sure to visit our web site at www.DanceADTS.com, or contact me with any of your questions.

There are two more weeks of American Inspiration before we take a break for the summer. I came across a passage with lots of great one liners with some great advice. I am passing it along to you and hope you find something that strikes a cord with you as it did for me.

Have a wonderful week ahead, and, as always, please *keep in touch!*
