Thoughts for today and every day . . .

“A desire for bigness has hurt many folks. Putting oneself in the limelight at the expense of others is a wrong idea of greatness. The secret of greatness rather than bigness is to acclimate oneself to one’s place of service and be true to one’s own convictions. A life of this kind of service will remain the measure of one’s true greatness.” Richard W. Shelly Jr.

“Once we realize that imperfect understanding is the human condition, there is no shame in being wrong, only in failing to correct our mistakes.” George Soros

“Learn the craft of knowing how to open your heart and to turn on your creativity. There’s a light inside of you.”  
Judith Jamison, Alvin Ailey American Dance Theater

“The future frightens only those who prefer living in the past.”
