

# American Inspiration

Thoughts for today and every day . . .

“Reputation is a bubble which bursts when a man tries to blow it up for himself.” Emma Carleton

“Footprints on the sands of time are not made by sitting down.”  
Author unknown

“Frustration is your worst enemy. You have to continue to stop yourself from letting it drive you to make irrational decisions.”  
Henry R. Kravis

“Light your candle. You never know where the beam might reach.” Isabel H. Fasshauer

## American Update

School will be out soon for everyone and summer will be upon us. This will be the last week of the American Inspiration until September, as we take a summer break, as you do. May your summer be filled of fun and delightful activities and we hope that some of you share your summer with us at an American Camp.

Make sure to visit us on Facebook and let us know how your summer activities come together. Have a great break and we will connect with you again in September.

### Inspiration of the Week

#### **This is my wish for you....**

Confidence in your abilities  
To be alive in the glories of each day  
Times of peace  
Many things to smile about

Ever lovelier pathways  
Time for small pleasures  
Many beautiful risings of the moon  
That you are surrounded with beauty  
Unlimited horizons  
That light and beauty surround you  
The luxury of shade of a summer day  
A peaceful time alone to think  
A sense of your true worth  
The confidence to fly  
A soaring spirit  
A perfect day!!!
