Thoughts for today and every day . . .

✓ "Suffering is a wonderful fertilizer for the roots of character. The great objective of this life is character, for it is the only thing we can carry with us into eternity. And gaining as much of the highest character possible is the purpose of our trials." Austin Phelps

✓ "I don't know the key to success, but the key to failure is trying to please everybody." Bill Cosby

✓ "Coming together is a beginning, keeping together is progress; working together is success." Henry Ford

✓ "The will to win, the desire to succeed, the urge to reach your full potential . . . these are the keys that will unlock the door to personal excellence." Eddie Robinson

Inspiration of the Week

"Beauty Tips" ~ by Audrey Hepburn

1. For attractive lips, speak words of kindness.
2. For lovely eyes, seek out the good in people.
3. For a slim figure, Share your food with the hungry.
4. For beautiful hair, let a child run his or her fingers through it once a day.
5. For poise, walk with the knowledge you'll never walk alone.
6. People, even more than things, have to be restored, renewed, revived, reclaimed, and redeemed; Never throw out anyone.

7. Remember, if you ever need a helping hand, you'll find one at the end of your arm. As you grow older, you will discover that you have two hands, one for helping yourself, the other for helping others.

8. The beauty of a woman is not in the clothes she wears, the figure that she carries, or the way she combs her hair. The beauty of a woman is seen in her eyes, because that is the doorway to her heart, the place where love resides. True beauty in a woman is reflected in her soul. It is the caring that she lovingly gives, the passion that she shows. And the beauty of a woman only grows with passing years.
