Helpful Hints...

- In writing your booster by-laws, make sure to collect samples of these by-laws from several other area team booster clubs. Check with their directors/presidents to see if they are effective or have had trouble with certain areas not covered in by-laws
- Make sure that one of your school administrator's approves the by-laws prior to submitting them into effect. Ask that the administrator be present for the first Booster Meeting of the year
- Ask that your booster executive board look over the by-laws and submit any suggestions prior to printing and approving the final version
- Include job descriptions for all officers of the Booster Club
- Issue the by-laws at the first Booster meeting of the year. Have membership vote for final approval
- Update by-laws annually as your team's needs change
- Make sure that the Booster Club membership realizes that their purpose is to support the director and the team and not to take over any authority not designated to them
