The Bottom Line

By Keith Kennendy

Face it. Nobody owes you a living.
What you achieve or fail to achieve in your lifetime
is directly related to what you do...
or fail to do.
No one chooses his or her parents or childhood,
but you can choose your own direction.
Everyone has problems and obstacles to overcome,
but that, too, is relative to each individual.

Nothing is carved in stone.

You can change anything in your life
if you want to badly enough...
Excuses are for losers.
Those who take responsibility for their actions
are the real **winners** in life.
Winners meet life's challenges head on,
knowing no guarantees,
and they give each challenge all they've got.
Never think that it is too late or too early to begin.
Time plays no favorites,
and time will pass whether or not you act.
Take control of your life.
Dare to dream and take some risk...compete.
If you are not willing to honestly work for your goals
do not expect others to.
Believe in yourself.
